

You're a Bad Man Mr Gum by Andy Stanton

Mr Gum is fed up of Jake a city dog who tramples on his garden all the time.

A secret fairy is not happy when his garden looks like this.

Mr Gum plots to kill Jake by poisoning him so Polly tries to find Jake to warn him, with help from Friday O'Leary and spirit.

I liked the book because it was funny and the characters made me laugh. The writer used funny words and phrases that kept me interested.

My favourite character was Polly she is kind and helpful she wanted to save Jake from getting killed. She ran into several problems like getting lost and people in the way, but she carried on anyway. She is also very, very brave.

I would recommend this book to all girls and boys and anybody who likes to laugh.

It is a hilarious story, full of tales of friendship.
